Such double fees shall not relieve any person from fully complying with the requirements in the execution neither of the work nor from any other penalties prescribed in the code.

Plumbing/Gas Permit Application

Date: _____

Address Of Project: _____

We, the General Contractor and the Plumbing Contractor request the use of temporary utilities for construction and the testing of equipment. The temporary fuel gas permit will be in force for 3 months (90 days). If more time is required to complete the building, the Plumbing Contractor shall submit a new permit and fee.

We understand that this in no way gives us permission to occupy or use for storage purposes and building or portion thereof, unless all inspections for the building have been approved and a Certificate of Occupancy issued ******Up to a \$200.00 (Two Hundred Dollar) fine per day can be assessed when a structure is occupied prior to an Occupancy Certificate being issued by the City******. We further understand that the temporary utilities may be disconnected for any violation of the Building Code. We assume the responsibilities for any violation of this agreement. We will indemnify and hold forever harmless the City of Missouri City, its officers and employees from any and all claims or causes of action alleged to have been caused directly or indirectly by the temporary use of utilities for which this application is made.
